January 2015

From the Pastor's Desk

At the beginning of a new year, many people make new year's resolutions. Unfortunately these good intentions only last a few weeks. Why? Because they are based on our promises which have been described as ropes of sand. This year why not try concentrating on God's promises for us? Let us pick up our Bibles and start searching for promises that God has made. We could even make a list of our favorites. When we need some encouragement, these promises could be a great comfort. Proverbs 3:5&6 would be a good one to start with since in these verses God promises to direct our path. A promise that fits into our needs for 2015!

I would like to thank Dwight and Janice Winslow for the wonderful social that they had for us on Saturday night December 13. We all learned a lot about each other.

May God bless you and your family this new year as we seek to draw closer to Jesus and each other. Love, Pastor and Linda Shultz

Temperatures Dropping in the Children's Sabbath School!

The new Arctic Adventure theme in Sabbath School is looking mighty chilly, but the love of Jesus keeps our spirits warm! Take a peek in the Kid's Sabbath School rooms and you'll discover a wintery wonderland. The children gather for opening songs beneath the multi-hued aurora borealis. They learn of the amazing ways God has enabled His creatures such as polar bears, penguins and walruses, to adapt to this frozen habitat. Beginners meet in the cozy glowing igloo for a special Bible story & youth share a frosty ice cave for their lessons.

Here is a list of activities we have enjoyed this season:

* Pumpkin Harvest party with games & hay rides

* Shoe Collecting for International Children's Care orphanages. (Last minute donations may be dropped in purple boxes in foyer or outside kids Sabbath school class.) Will ship donation box in January. A big thank you to all who have donated!

* Christmas Cookie Bake & Delivery project for friends and neighbors
* Christmas songs for church

The Children's Ministry team thanks all who are praying for our precious little ones!

Upcoming Events

January often is a time when people decide that they would like to stop smoking. We are hosting an 8 week program to help people break this deadly habit. There are two timings each week for people's convenience. Every Monday starting January 5 at 3pm and every Tuesday at 6pm. All programs will be in the Fellowship Hall.
